Please check out our NEW school song

Now for a song of Rolling Hills  
And the sounds you there may hear  
Of courage, strength and the discipline  
Every voice rings loud and clear.

La la la la la la la la la la (boys only)  
La la la la la la la la la la (girls only)

Here we come, marching on,  
Heads held high, with spirit and pride,  
Rolling Hills we're by your side  
Building up and never tears down,  
We've come to make you proud.  
Standing tall and shining bright,  
Striving with all our might.  
Rolling Hills, Rolling Hills  
We will shine your light!

Dear RHPCS Families,

What a great week we have had here at RHPCS. I just wanted to make sure that I passed this week's events along to you.

This week the first wave of direct mail postcards went out to share the good news about our great school. We targeted the 83714 zip code area and have already met with very favorable response. School tours are taking place each Wednesday from 8:30-10:00. We encourage parents to come in during this time and visit with me, take a school tour and observe in classrooms. Teachers were ready this week with their doors open and ready to greet potential new families to our school. A big thank you to them for allowing our visitors to peek at what they do each day! If you are interested in assisting with those school tours on Wednesday please drop me an email and let me know. I would love to have your assistance! Please watch for ads in local magazines, public service announcements, and direct mailers coming out soon!

Our Citizen of the Month was held on Wednesday. We have been starting our assemblies by reciting our school poem, but today we switched it up a bit and started with our new school song! A big thank you to the 5<sup>th</sup> grade class for performing that for us and huge thank you to Mrs. Henbest for composing our new song. Keep your ears open at home!

Our Student Council is up and active at RHPCS. Next week we will be examining the role of the council and be looking at how our students can assist with fundraising efforts. We have had a parent who has volunteered to assist with a major fundraiser for our school alongside our great group of student leaders. We also have another school dance to place on the calendar. Woo Hoo! Watch for more information coming home!

Are you a scout looking for an Eagle Scout Project? Do you know a scout in need of a great place to earn this honor? Rolling Hills Public Charter School welcomes scouts to come in and work with us. We have had two Eagle Scout Projects at the school this year and we are eager to be a part of that great process again.

Are you looking to assist with an after-school program? We are unveiling for the spring a Young Rembrandts Art club, A Culinary Arts Club, and a Fitness Club. I am looking for assistance to run Girls on the Run Club as well. If you would like to assist with any of these classes and/or have an idea for one of your own let me know.

I mentioned last week that we are examining and exploring options for a 9<sup>th</sup> grade and/or a Full Day Kindergarten. If you are interested in participating in a discussion group on these topics, let me know.

I look forward to hearing from you!
