

# Rolling Hills News

November 7, 2008

## A NOTE FROM THE PRINCIPAL'S OFFICE:

I wanted to take a moment and recognize two young men and their efforts to improve our school! Jordan Casper and Hayden Parkinson both earned Eagle Scout Awards for service projects at Rolling Hills. Jordan organized a book drive for books for our library and Hayden stained the fence around the school. Thank you to all who participated and supported these scouts, to Evan's Building Center, and a big thank you to these fine young men for making our school a better place.

## AR-R-R-R-R-R- You Reading?!

As you are aware we have an excellent library facility within our school. We are eager and excited for our students to use the library but unfortunately due to budgetary constraints we are not at this time able to hire a librarian. Now budget constraints have never stopped us before and all of your hard work and creativity always helps us find a way to make things work. So let's put our heads together and figure out how to offer library services here for our kiddos! Even if we had 4 volunteers who would take a Friday a month we could at least have it open once a week. I look forward to hearing your thoughts and ideas!

## Reminders

**As the weather begins to change just a reminder to have your children dressed for the conditions. Your help at home to remind them about jackets and hats is greatly appreciated.**

**After school sports are in full swing! In order to be safe we do lock the front doors at 3:00. The side gym door is open for you!**

**If you have not visited the school website please take a moment to do so.**
