**A NOTE FROM THE PRINCIPAL'S OFFICE:**

Thank you for your generous donations of time and resources that you give to support our school. We have folks who each week support the school office with filing and copying, assisting in classrooms, and now weekly library assistance! We are still in need of a couple of items if you have the ability to help. We could use parents to play organized games at lunch recess with our older students, assistance in the café during the lunch hour, a yearbook advisor and we are in need of a facility that will allow us to host our music programs. If you can help, please let the office know and THANK YOU.
