RHPCS is getting ready for  
the upcoming lottery,  
April 11, 2009 @ 9:00 am  
It will be held at Rolling  
Hills Charter School

We are looking for parents  
who would like to come  
and help. Please call the  
office at 939-5400

Dear Rolling Hills Public Charter School Families,

You will find a copy of the approved school calendar for the 2009-2010 school year.

There are a couple of items to note:

- Our school date begins a little earlier this year. It is our hope that this earlier start date will allow us to fill any empty seats that we might have before students get comfortable in another school of choice.
- You will also note a staff development day on February 12<sup>th</sup>, 2009. While this is a day off for students, teachers will have the opportunity to come together and share in some professional development opportunities.
- Also you will note the last day of school is in May. This can be accomplished due to an earlier start date.

I hope this assists with your planning for next year. I would like to remind you that if your decision to school at Rolling Hills Public Charter School changes please let us know immediately. This will assist with planning and staffing and will allow us to invite students on the wait list to enroll.

After we arrive back from Spring Break, students in grades 3<sup>rd</sup>-8<sup>th</sup> will begin preparing for the ISATS. You will receive information from your teacher as to the schedule of testing for your child and ways that you can assist them with preparing for these very important tests. Watch for further information coming soon!

I also wanted to take a few moments this week to thank all of you who donate time, talents, and energies at Rolling Hills Public Charter School. Your efforts do not go unnoticed and it is much appreciated. I also want to thank our School Board members for the tremendous amount of time and energy that they expend on this school. We are so lucky to have board members with Law Degrees, a Master of Science in Education, a Certified Public Account, and a Doctor of Dental Medicine!

It is my hope that you find some time during the break to relax and enjoy your family and friends. Happy Spring!

Vickie Scheuffele  
RHPCS Principal
