

Dear RHPCS family,

I am happy to have the opportunity to submit my name for consideration for a position on our school board. I have been affiliated with Rolling Hills Public Charter School for the past six years as a proud parent of two students. I believe that this is a perfect time to lend my enthusiasm and professional skills to our governing body.

I strongly value the qualities our school works to instill in our students and believe we have all been given a gift to belong to a charter school that works hard to represent Harbor Method beliefs. My family has seen our school begin as a fledgling operation housed in portable trailers and evolve to a place where students flourish as scholars and upstanding young citizens. I appreciate the countless hours our families and educators have put toward our school...all with the intent to make RHPCS a wonderful place to be.

As a graduate in Politics and Government from the University of Puget Sound, I have a solid understanding of political process. By completing the Dale Carnegie training course, I was able to improve my communication and public speaking skills and sharpen my organizational talents. As a local business owner with more than 20 years of sales experience, I have learned so much about how to work together, put aside personal differences, set and achieve goals and enjoy success as a result of working as a team.

I'm a firm believer in being part of a school's solutions rather than its problems. All my life, my family taught me the importance of "giving back" to my community. This is why, in large part, I have served for six years at Bishop Kelly High School as a foundation board member. My passion for the outdoors and sports has led me to leadership positions through Ducks Unlimited and basketball coaching positions with the YMCA. It is with this same energy that I would be truly honored to represent our stakeholders, educators and students as a member of the RHPCS Board.

Please know that your vote really does make a difference and I deeply appreciate your support. I am available to answer any questions you may have regarding my opinions or ability to do a commendable job. I look forward to working with you in making a wonderful school even better.

Sincerely,

*Scot Carley*
