Dear Stakeholders,

The above highlights of my background are only a small example of my dedication to Rolling Hills Public Charter School. Education is truly my passion and seeing each child be the best that he/she can be is not only a goal, it is the true essence of my devotion to the children. We must empower the teachers to teach and give them the tools needed to succeed, and we must empower our Principal to manage the school, support him, and allow him to enhance the beauty that is already here in Rolling Hills.

As a Board Member, just as I have done in the past 6 months with the current Board, I will continue to work hard for the students, teachers, staff, and administration. I vow to thoroughly investigate matters and ask the difficult questions so educated votes and decisions can be made to govern the school. Key for each Board Member to remember is that they have no power as an individual and that the power given to them by you, the stake holder, can only be exercised as a team.

With the constant challenges faced in education, it is imperative we never lose sight of the riches we have in our children and our teachers. Without them our cause would be meaningless.

Should you have any questions regarding the above or my application, please do not hesitate to contact me anytime.

Sincerely,

Uschi De Rose – email: uderose@q.com
