

operations during such school year in accordance with the approval procedure described in Subsection 100.04 of these rules. (4-11-06)

202. PETITION REQUIREMENTS.

A petition to form a new or conversion public charter school shall be submitted in accordance with instructions, and in such format, as may be required by the Board. Notwithstanding, the petition must include, at a minimum, the information described in Section 33-5205, Idaho Code. (4-11-06)

203. ADMISSION PROCEDURES.

01. Model Admission Procedures. In accordance with Section 33-5205(3)(i), Idaho Code, a petition to establish a new public charter school must describe the admission procedures to be utilized by the public charter school. In order to ensure that public charter schools utilize a fair and equitable selection process for initial admission to and enrollment in a public charter school, as well as admission to and enrollment in a public charter school during subsequent school years, the Board has approved model admission procedures that may be utilized and adopted by petitioners. The approved model admission procedures are described in Subsections 203.03 through 203.12 of these rules. Petitioners are not required to adopt the Board's model admission procedures, but must demonstrate a reason for varying from the Board's approved procedures. (4-11-06)

02. Enrollment Opportunities. Section 33-5205(3)(s), Idaho Code, requires petitioners to describe the process by which the citizens in the area of attendance shall be made aware of the enrollment opportunities of the public charter school. Petitioners shall ensure that such process includes the dissemination of enrollment information, taking into consideration the language demographics of the attendance area, at least three (3) months in advance of the enrollment deadline established by the public charter school each year, to be posted in highly visible and prominent locations within the area of attendance of the public charter school. In addition, petitioners shall ensure that such process includes the dissemination of press release or public service announcements, to media outlets that broadcast within, or disseminate printed publications within, the area of attendance of the public charter school; petitioners must ensure that such announcements are broadcast or published by such media outlets on not less than three (3) occasions, beginning not later than fourteen (14) days prior to the enrollment deadline each year. Finally, such enrollment information shall advise that all prospective students will be given the opportunity to enroll in the public charter school, regardless of race, color, national or ethnic origin, religion, gender, social or economic status, or special needs. (4-11-06)

03. Enrollment Deadline. Each year a public charter school shall establish an enrollment admissions deadline, which shall be the date by which all written requests for admission to attend the public charter school for the next school year must be received. The enrollment deadline cannot be changed once the enrollment information is disseminated as required by Subsection 203.02. (4-11-06)

04. Requests for Admission. A parent, guardian, or other person with legal authority to make decisions regarding school attendance on behalf of a child in this state, may make a request in writing for such child to attend a public charter school. In the case of a family with more than one (1) child seeking to attend a public charter school, a single written request for admission must be submitted on behalf of all siblings. The written request for admission must be submitted to, and received by, the public charter school at which admission is sought on or before the enrollment deadline established by the public charter school. The written request for admission shall contain the name, grade level, address, and telephone number of each prospective student in a family. If the initial capacity of the public charter school is insufficient to enroll all prospective students, then an equitable selection process, such as a lottery or other random method, shall be utilized to determine which prospective students will be admitted to the public charter school, as described in Subsection 203.09 of this rule. Only those written requests for admission submitted on behalf of prospective students that are received prior to the enrollment deadline established by the public charter school shall be permitted in the equitable selection process. Only written requests for admission shall be considered by the public charter school. Written requests for admission received after the established enrollment deadline will be added to the bottom of the waiting list for the appropriate grade. If there is an opening in one grade, a sibling, if any, from a late submitted application must go to the bottom of the sibling list. (4-11-06)

05. Admission Preferences. A public charter school shall establish an admission preference for students residing in the attendance area of the public charter school, as provided in Section 33-5206, Idaho Code. In addition, a public charter school may establish admission preferences, as authorized by Section 33-5205(3)(i), Idaho

Code, for students returning to the public charter school, for children of founders, and for siblings of students already selected to attend the public charter school. Such admission preferences must be approved by the authorized chartering entity and described in the final approved petition. (4-11-06)

06. Priority of Preferences for Initial Enrollment. If a public charter school determines to establish admission preferences for initial enrollment of students in a public charter school, then the selection hierarchy with respect to such preferences shall be as follows: (4-11-06)

- a. First, to children of founders, provided that this admission preference shall be limited to not more than ten percent (10%) of the initial capacity of the public charter school. (4-11-06)
- b. Second, to siblings of pupils already selected by the lottery or other random method. (4-11-06)
- c. Third, to prospective students residing in the attendance area of the public charter school. (4-11-06)
- d. Fourth, an equitable selection process, such as by lottery or other random method. (4-11-06)

07. Priority of Preferences for Subsequent Enrollment Periods. If a public charter school determines to establish admission preferences for enrollment of students in a public charter school in subsequent school years, then the selection hierarchy with respect to such preferences shall be as follows: (4-11-06)

- a. First, to pupils returning to the public charter school in the second or any subsequent year of operation. Returning students are automatically enrolled in the appropriate grade and do not need to be selected by a random selection method. (4-11-06)
- b. Second, to children of founders, provided that this admission preference shall be limited to not more than ten percent (10%) of the capacity of the public charter school. (4-11-06)
- c. Third, to siblings of pupils already enrolled in the public charter school. (4-11-06)
- d. Fourth, to prospective students residing in the attendance area of the public charter school. (4-11-06)
- e. Fifth, an equitable selection process, such as by lottery or other random method. (4-11-06)

08. Proposed Attendance List for Lottery. Each year the public charter school shall create an attendance list containing the names of all prospective students on whose behalf a written request for admission was timely received by the public charter school, separated by grade level. In addition, the proposed attendance list shall contain columns next to the name of each student, in which the public charter school will designate admission preferences applicable to each prospective student. The columns shall be designated "A" for returning student preference; "B" for founders preference; "C" for sibling preference, with a corresponding cross-reference to each of the siblings of the prospective student; and "D" for attendance area preference. (4-11-06)

09. Equitable Selection Process. If the initial capacity of a public charter school is insufficient to enroll all prospective students, or if capacity is insufficient to enroll all prospective students in subsequent school years, then the public charter school shall determine the students who will be offered admission to the public charter school by conducting a fair and equitable selection process. The selection procedure shall be conducted as follows: (4-11-06)

- a. The name of each prospective student on the proposed attendance list shall be individually affixed to or written on a three by five (3 x 5) inch index card. The index cards shall be separated by grade. The selection procedure shall be conducted one (1) grade level at a time, with the order for each grade level selected randomly. The index cards containing the names of the prospective students for the grade level being selected shall be placed into a single container. (4-11-06)
- b. A neutral, third party shall draw the grade level to be completed first and then draw each index card

from the container for that grade level, and such person shall write the selection number on each index card as drawn, beginning with the numeral "1" and continuing sequentially thereafter. In addition, after selecting each index card, the name of the person selected will be compared to the proposed attendance list to determine whether any preferences are applicable to such person. (4-11-06)

c. If the name of the person selected is a returning student, then the letter "A" shall be written on such index card. If the name of the person selected is the child of a founder, the letter "B" shall be written on such index card. If the name of the person selected is the sibling of another student that has already been selected for admission to the public charter school, then the letter "C" shall be written on such index card. If the name of the person selected resides in the attendance area of the public charter school, then the letter "D" shall be written on such index card. (4-11-06)

d. With regard to the sibling preference, if the name of the person selected has a sibling in a higher grade who has already been selected, but the person previously selected did not have the letter "C" written on his or her index card (because a sibling had not been selected for admission prior to the selection of the index card of that person), then the letter "C" shall now be written on that person's index card at this time. (4-11-06)

e. With regard to the founder's preference, a running tally shall be kept during the course of the selection procedure of the number of index cards, in the aggregate, that have been marked with the letter "B." When the number of index cards marked with the letter "B" equals ten percent (10%) of the proposed capacity of the public charter school for the school year at issue, then no additional index cards shall be marked with the letter "B," even if such person selected would otherwise be eligible for the founders preference. (4-11-06)

f. After all index cards have been selected for each grade, then the index cards shall be sorted for each grade level in accordance with the following procedure. All index cards with the letter "A" shall be sorted first, based on the chronological order of the selection number written on each index card; followed by all index cards with the letter "B," based on the chronological order of the selection number written on each index card; followed by all index cards with the letter "C," based on the chronological order of the selection number written on each index card; followed by all index cards with the letter "D," based on the chronological order of the selection number written on each index card; followed, finally, by all index cards containing no letters, based on the chronological order of the selection number written on each index card. (4-11-06)

g. After the index cards have been drawn and sorted for all grade levels, the names shall be transferred by grade level, and in such order as preferences apply, to the final selection list. (4-11-06)

10. Final Selection List. The names of the persons in highest order on the final selection list shall have the highest priority for admission to the public charter school in that grade, and shall be offered admission to the public charter school in such grade until all seats for that grade are filled. (4-11-06)

11. Notification and Acceptance Process. (4-11-06)

a. With respect to students selected for admission to the public charter school, within seven (7) days after conducting the selection process, the public charter school shall send an offer letter to the parent, guardian, or other person who submitted a written request for admission on behalf of a student, advising such person that the student has been selected for admission to the public charter school. The offer letter must be signed by such student's parent, or guardian, and returned to the public charter school by the date designated in such offer letter by the public charter school. (4-11-06)

b. With respect to a prospective student not eligible for admission to the public charter school, within seven (7) days after conducting the selection process, the public charter school shall send a letter to the parent, guardian, or other person who submitted a request for admission on behalf of such student, advising such person that the prospective student is not eligible for admission, but will be placed on a waiting list and may be eligible for admission at a later date if a seat becomes available. (4-11-06)

c. If a parent, guardian, or other person receives an offer letter on behalf of a student and declines admission, or fails to timely sign and return such offer by the date designated in such offer letter by the public charter school, then the name of such student will be stricken from the final selection list, and the seat that opens in that grade

will be made available to the next eligible student on the final selection list. (4-11-06)

d. If a student withdraws from the public charter school during the school year for any reason, then the seat that opens in that grade will be made available to the next eligible student on the final selection list. (4-11-06)

12. Subsequent School Years. The final selection list for a given school year shall not roll over to the next subsequent school year. If the capacity of the public charter school is insufficient to enroll all prospective students during the next subsequent school year, then a new equitable selection process shall be conducted by the public charter school for such school year. (4-11-06)

13. Admission Procedures for Approved Charter Schools. All public charter schools must have an admission procedure approved by their authorized chartering entity, which complies with Section 203 of this rule. (4-11-06)

204. SUBMISSION OF PETITION.

01. New Public Charter School. To institute the approval process for the formation of a new public charter school, the petitioners must submit the petition to the local board of trustees of the school district in which the proposed new public charter school will be located, as required by Section 33-5205(1)(a), Idaho Code. (4-11-06)

205. REVIEW OF PETITIONS.

01. Initial Review of Petition. Prior to submitting a petition with an authorized chartering entity, petitioners shall submit six (6) copies of the proposed draft petition to the Department, which shall review the proposed draft petition for the purpose of determining whether it was prepared in accordance with the instructions furnished by, and in the format required by, the Board, and contains the information required by Section 33-5205, Idaho Code. (4-11-06)

02. Timeframe for Initial Review. The Department shall complete the initial review of the proposed draft petition as soon as reasonably practicable after the date the proposed draft petition is received by the Department, but not later than thirty (30) days after receipt. (4-11-06)

03. Notification of Findings After Initial Review. The Department shall notify the petitioners promptly in writing describing the results of the initial review of the proposed draft petition, and, if applicable, identify any deficiencies in the proposed draft petition. (4-11-06)

04. Written Response to Initial Review. Petitioners shall include a copy of the Department's initial review of the proposed draft petition, and a written response to the findings of such review, with the petition upon submission to an authorized chartering entity. Deficiencies in the petition identified by the Department's initial review shall be addressed in the written response. (4-2-08)

05. Substantive Review of Petition. The substantive review of the merits of a petition by an authorized chartering entity shall be for the purpose of determining whether petitioners have demonstrated compliance with Title 33, Chapter 52, Idaho Code. (4-11-06)

06. Timeframe for Substantive Review. An authorized chartering entity must comply with the procedural requirements described in Section 33-5205, Idaho Code. (4-11-06)
