

Rolling Hills Charter School
Home of the Tigers!

2018 Rolling Hills Girls Volleyball

Rolling Hills Public Charter School is pleased to offer after school athletic team opportunities to our middle school students (grades 6, 7, & 8). **RHPCS Girls in 6th, 7th & 8th grades are invited to join the RHPCS Girls Volleyball Team.** Previous volleyball experience is not required. Our goal is to have RHPCS student athletes learn the fundamental of these sports, build a true team atmosphere within each program, display a high level of sportsmanship, and last but not least...have LOTS OF FUN!

The 2018 RHPCS Girls Volleyball team is forming now, practices begin Monday, August 13. We are pleased to announce that Kim Harmon will be coaching our volleyball team this year. Please read the letter from Coach Harmon on the backside of this document.

Team practices will be held Mon-Friday beginning August 13 from 2:30 – 5:30 pm. Volleyball participants should come to all practices in athletic clothing, court shoes, and knee pads, preferably black, ready to actively participate. Bring a water bottle and a healthy snack. For game days, team members will need black volleyball shorts and crew length black socks are optional but preferred.

Transportation to/from our away game locations is the parent responsibility. Carpooling amongst teammates is encouraged and is typically available.

An important **Volleyball Parent Meeting will be held on Friday, August 10 at 6:00 p.m at Rolling Hills** to review season details, player and parent expectations, and volunteer opportunities. We hope to have the season game schedule available to distribute during this meeting.

To join the team, parent/guardian will need to complete and sign the RHPCS Athletic Participation Form. There is a \$50 team participation fee. Scholarship may be available. Scholarship questions can be directed to RHPCS Athletic Director, Frank Dea, at fdea@rhpcs.org

Volleyball team questions? Contact Coach Harmon by email at kharmon@rhpcs.org

Good Morning RHPCS Volleyball Families!

I hope that you are having an amazing summer full of fun times and making great memories! I wanted to reach out to you before the beginning of the upcoming RHPCS Volleyball season to give you a heads up on a couple of things.

First, I would like to have a parent meeting on August 10th at 6pm in the RHPCS gym. For this meeting I am asking that it just be the parents only and no players. It will be a great way for me to meet all of you, go over any questions you may have and explain my expectations as head coach. Please send an email to kharmon@rhpcs.org if you are able to attend.

Secondly, thanks to Mr. Dea, I was able to add an extra week of practice before the school year starts (yay!)! Practice will begin on August 13th at 2:30pm and will end at 5:30pm. This will be the practice schedule Monday thru Friday throughout the rest of the season unless otherwise specified (Game schedule TBD). Please let me know if your child is not able to make practice this extra week (I know that it is still summer time and that means fun family plans). It won't affect their spot on the RHPCS team; however, it helps me plan our day to day practices.

To give you all a little background information on me, I have been playing volleyball from the time I could walk onto the court at my parents' league games at the age of 2 years old, throughout my high school career (which included a City Title) and any league pick up games I could there after. I was assistant coach to Meisha last season for RHPCS as well. I love volleyball and all of its aspects. It taught me so many positive values on and off the court that I hope to instill in a new generation of girls. Go Tigers!!!

In addition to coaching, I am also a Middle School Title I Education Assistant, Food Service Staff member, Choir Teacher, and 8th Grade Creative Writing Teacher here at RHPCS

I am super excited about this season and feel very blessed for the opportunity to coach these young talented ladies!

Thank you and I look forward to seeing you all soon!

Best Regards,
Kim Harmon
