

2018-2019 RHPCS Homework Club

**Mondays & Wednesdays 2:30 – 3:30 p.m.
Beginning September 10, 2018**

For the 2018-2019 school year Rolling Hills will be offering an after school Homework Club on Mondays and Wednesdays. Students in 1st through 8th grades are invited and encouraged to participate. RHPCS staff will be on hand to facilitate the program and assist students.

Homework Club is intended to help students improve academic performance; it is not a social forum. Students will need to bring to each session any necessary homework materials (assignments, pencil, paper, etc.) and a reading book for use if they complete their work before dismissal time.

At the end of school day, Homework Club participants will gather at the gate into Optimist Park to come into the building together with Mr. Scott/Mrs. Glasgow. Students may bring a healthy, non-messy snack to eat before Homework Club begins. Homework club will meet from 2:35 until 3:30 p.m. in the Morton Computer lab. At the end of the session, participants will be excused for pick up in front of the school. Please be considerate of our adult facilitators, and promptly pick up children at 3:30 p.m.

The first session of Homework Club will be held on Monday, September 10, 2018 and continue on school-in-session Mondays and Wednesdays until mid-May, 2019.

There is no charge for students to participate in Homework Club, however in order to best plan space and staffing, we ask that students be pre-registered to participate. Students can be registered at any time during the school year. Please complete the form below and return it to the school office.

2018-2019 RHPCS Homework Club

I want my child/children to participate in RHPCS Homework Club.
