RHPCS Families:

It looks like winter has arrived for the Holidays! So now that snow is here how will you know if Rolling Hills will be closed for a "Snow Day" due to inclement weather or hazardous road conditions? Because Rolling Hills is its own school district, this is a decision the our School Administrator, Mr. Pratt, makes for our school specifically based on weather and road condition information available.

How you will be notified:

- **Watch for text message from Mrs. Friend's through the "Remind" text message service. This is an "opt-in" service, so if you have not yet opted-in for this school year, please do so now.** Directions for opting-in are shown at the bottom of the page.
- Check the school website at www.rhpcs.org – information regarding school closure will be posted on the home page.
- Call in to the school office – if school is out for a snow day, the outgoing message will indicate the closure.
- Watch/listen for Rolling Hills Charter school closure information on the local radio and TV stations

Information will be posted as early as practical – but no later than 7:10 a.m. If there is no news listed by 7:10 a.m., please assume school will be in session.
