

# Rolling Hills Root 4 Green Garden Club

## Students in 1<sup>st</sup>-8<sup>th</sup> Grades are invited to participate.

**(Kinders welcome with parent participation.)**

*Gardening offers hands-on, experiential learning opportunities in a wide array of disciplines, including the natural and social sciences, math, language arts and nutrition. The educational benefits of school gardens are clear. In addition, gardening staves off blues, provides an outlet for creativity, and nurtures a sense of pride and accomplishment when you harvest.*

Mrs. Beznoska, Rolling Hill's own 1<sup>st</sup> grade teacher extraordinaire, will be facilitating this afterschool club and looks forward to igniting student enthusiasm for our Root 4 Green school garden.

**Beginning Tuesday, September 4, Root 4 Green Club will be held on Tuesdays from 2:40 – 3:30 p.m.** The Fall session of Root 4 Green Club will continue weekly on school-in-session Tuesdays until November 13, 2018, unless otherwise announced. There will be a Spring session of Root 4 Green Garden Club, expected to begin the first week of March 2019. Watch for those details to come nearer the spring re-start date.

At the end of school day, Root 4 Green Club participants will gather at the gate into Optimist Park to come to the garden area together with Mrs. Beznoska. Sending your child with a non-messy, healthy, simple snack is encouraged. Please be prompt in picking up students at 3:30 p.m., they will be at the front of the building to await rides.

**Parent participation is welcome and encouraged.** Come reap the benefits of a gardening experience with your child. There is no charge for students or adults to participate in the Root 4 Green Club, however in order to best plan for space and equipment needed, we ask that students be pre-registered to participate. Please complete the interest form below and return it to the school office.

I would like my child/children to participate in the **Fall 2018 Root 4 Green Gardening Club.**

**Kinders welcome with parent participation.)**
